The Mason LINE

by Chan Mason

Just heard of a law case here in California which might be of interest to all of us: A certain man parked his car, left the key in the ignition switch and the door unlocked and left the car. Along came Mr. car-thief, got in the car, tore off and immediately smacked into another car at the next intersection. The Judge decided the guy who owned the car and left it to the mercy of the car thief was responsible for the accident. Moral: Take the keys out, boys.

Anything for publicity we guess, but we'll even take the flag-pole sitters of another era to the current Hollywood fad of chasing Indian Princes.

Which brings us to the Hollywood starlet who was applying for a divorce. "We're hopelessly incompatible, Judge, he's male and I'm female."

—ML—

We heard somebody on TV say the other night that he'd always thought "The High Sierras were a Spanish family who drank."

—ML—

With our town a jumpin' with politicos we think the following story may be appropos:

Two farmers had been at 'outs' for twenty years. One of them accosted his old enemy neighbor one day with a husky, "Mawnin Jeff."

"What you speakin' to me fer, after twenty years?" asked his suspicious enemy.

"I'm just here to tell you that I'm running for the legislature and I don't want you nor none of yourn a votin' fer me."

"Now lookee here," demanded neighbor Jeff. "Me an' my kin been votin' this ticket since grandpappy came to these hills, an' if you don't want us votin' fer you, just git off'n the ticket."

In addition the Irrigation District will be flushing lines in La Mesa beginning the week of April 19 which may cause some carry over of dirty water into the Lemon Grove area, since the lines that supply La Mesa supply in part Lemon Grove. Operations will be confined to Tuesday, Wednesday, Thursday and Friday, to permit washing and household operations on Monday.

U. S. WORKERS INSURED

Although the United States was the last major country in the world to adopt workmen's compensation laws, it now has more workers covered and receiving larger claims than any country in the world.

Teyssier and Teyssier Gets Administration Building Contract

Official notice was given the construction firm of Teyssier and Teyssier to proceed with work on the new Education Center for the Lemon Grove School District by the board of trustees at a special meeting Monday night this week. Following the visit to Sacramento by Superintendent Neztley and Business Manager Reynolds, the State Allocation Board approved the bid previously taken here. George Johnson of Lemon Grove was named as inspector for the building.

During the meeting approval was given Paul Reynolds to attend a meeting of the California School Business Officials in Santa Cruz on April 21. Plans were also made for the removal of the temporary workshop buildings on School Lane as soon as construction is completed on new additions to the Golden Avenue School.

Robert Von Willer, chairman of the initial group set up to establish a Citizen Advisory Committee of the Lemon Grove School District, reported to the board that an initial meeting was held, at which time Rush Rowley was elected chairman of the committee, with Edward Kinyon as vice chairman. Mrs. Virgil Danielson was elected secretary. Mr. Rowley and Mr. Von Willer reported that the first committee had looked over the tentative plans for the proposed classrooms in the district, and the plans were now in the hands of the permanent committee.

The Dimmer VIEW

by Max Goodwin

With the patience of Job I have sweated out, with high hopes, the approaching final filing date of the Lemon Grove School Board Election.

In this election three members will be chosen instead of one because the board, intelligently agreed to increase the board's size. This is permissible by law. The final filing date, if any others should be interested, is April 21st.

Sometimes, some misguided taxpayer with miasma of black hate in his heart, takes up a campaign cudgel with avowed intention of "re-organizing" the school system. My misfortune, which is the basis for this complaint, is that none who filed for the board to date qualifies for this unhappy and undesirable distinction.

The absence of low-quality trustee material is saddening in that it denies me the editorial instrument upon which to play a sobbing sonata of need for thoughtful individuals with business heads on their shoulders to help with the school system's complex operations.

This is also the reason I feel called upon, with the filing date just a pitch-and-a-putt away, to unqualifiedly endorse the three men who have already agreed to accept this unpaid and often thankless task. These men are: Robert Brown of Vista La Mesa, who was appointed to fill a vacancy and who has done such an outstanding job on the three man board that he should be returned to serve on the five man group; Bert Betts, C.P.A., who operates a robust accounting firm on Broadway and who will bring professional bookkeeping knowledge to the board; and Channing P. Mason, pillar of civic, church, charity and service organizations, who will bring all his desirable qualities.

Now add to this group the remaining members consisting of Harry Griffen, whose razor sharp mind slashes thru unneeded verbiage and unasked-for obstacles, and Frank Armstrong, one of San Diego's most respected attorneys-at-law and successful family man.

With this line-up I'll take on anybody's school board team and spot them a third baseman and outfielder.

Advisory Committee Names Rowley President

LENOX FOTO for the REVIEW

Executives of the newly formed Citizen's Advisory Commitee to the Lemon Grove School District Trustees are: Mrs. Virgil Danielson, 4003 Charles St., Vista La Mesa, secretary; Rush Rowley, 8020 Darryl St., Lemon Grove, president; Ed. M. Kinyon, 4026 Violet St., Vista La Mesa, vice-president. The next meeting will be held Wednesday April 14 at the school cafetorium.

About two dozen local residents interested in school affairs attended the initial meeting and became charter members of the Lemon Grove Citizen's Advisory Committee to the Lemon Grove School District Board of Trustees, last week at the Junior High School Cafetorium.

They heard superintendent of schools, Byron Neztley, tell them of the importance of liaison between the citizens and the board of trustees and the school administrative executives. He pointed out that everyone there had one thing in common and that was an "education for our children."

Temporary chairman Robert Von Willer said that the committee would act only in an advisory capacity, that any who had ideas of disrupting the school system would be disappointed to learn that such power is not vested in the organization. He called for unity and cooperation and told of the great need for a well-knit organization to aid the trustees with information and advice.

Each of the officers was named without opposition. Rush Rowley, 8022 Darryl St., Lemon Grove, was named president, Ed. Kinyon, 4026 Violet St., Vista La Mesa, vice-president and Mrs. Virgil Danielson, 4003 Charles St., Vista La Mesa, was named secretary.

A complete list of those who attended the first meeting is as follows: Russell Foster, W. E. Wardwell, Howard Mays, Bert Cosby, Max Goodwin, Rush Rowley, George LaDam, H. C. Harlan, John B. Dail, Frances Tubbs, Sam Solleder, Rex Foster, Ralph Steinhoff, Don Ellis, Mrs. Hal Crow, Mrs. Chas. Wm. Brown, Mrs. F. McClintock, Mrs. Alice Chamberlin, Mrs. Virgil Danielson, Mrs. Jean Johnson, R. H. Large, Mrs. John Scheneman, E. W. Kinyon.

The next meeting will be held April 14 at 7:30 at the Junior High School Cafetorium and an invitation is extended to all interested residents to attend this meeting.

JOHN GIBSON ENTERS RACE FOR ASSEMBLY

LENOX FOTO for the REVIEW

John Gibson, well known Foothills area civic leader, last week tossed his hat in the Assembly ring.

Gibson, a petroleum distributor, and former Kiwanis Lieutenant Governor for the district, lives at 7920 El Capitan in La Mesa with his wife and three children.

He had an important part in starting the Lemon Grove Kiwanis Club and seven other clubs in the district. He is president of the El Cajon Chamber of Commerce and currently a member of the County Grand Jury. He is a member of the original board of directors which led to the present Grossmont Hospital District and was a member of the finance committee promoting the bond election which was successfully passed last year.

With a high interest in school and youth activities, Gibson was recently the subject of an El Cajon newspaper feature article relating how he had contributed to teenage activities a building he owned in El Cajon rent free and with insurance paid. As a result of this action, the city fathers of El Cajon have seen fit to erect a permanent teenage activities building. He is active in the Masonic Order.

Gibson will present a platform based on the need for a business-man type representation in the Assembly. He points out that he has met a payroll every week since he became distributor for General Petroleum in 1937.

While Gibson is a Republican he has cross-filed and many organizations in the Lemon Grove area have already indicated that they would throw their effort behind Gibson in the coming primaries.

Forrest Baxter's Father Passes

Arthur J. Baxter, 7530 Cuyamaca, father of Forrest Baxter, operator of the Lemon Grove Sheet Metal Works, died Sunday following a lingering illness.

He is survived by his widow, Caro, in addition to his son.

Funeral services were held at Bonham Brothers Mortuary with interment in Mt. Hope Cemetery Wednesday.

L. G. VFW Will Install Tuesday

VFW Post and Auxiliary of Lemon Grove No. 2082 will hold installation Tuesday at 8:00 p.m.

Mrs. Cole to Be Installed as BWL President

Newly elected officers of the Business Women's League will be installed at Casper's Ranch Club, Saturday night.

Following are these new officers: Mrs. Al Cole, president; Mrs. Calvin Nichols, vice-president; Mrs. I. Lauritzen, secretary; Mrs. Harmon Russell, treasurer; and Mrs. Fred Scheneman, corresponding secretary. Mrs. Alex Antonette will be installing officer. Mrs. Jerry Roman and Mrs. Calvin Nichols, co-chairmen for the installation party will be assisted by Mrs. Paul Louer and Mrs. Alfred Rice.

Dinner will be served at 8 p.m. and reservations can be made with Mrs. Al Cole, HO 6-8271.

The BWL had the honor of welcoming two new members at the last Thursday meeting at Michael's. The latest league ladies are Miss Annette Avergaag and Mrs. Wm. Farle.

Citizen's Water Committee Bogging Down in Grove

Invitations to additional Lemon Grove residents interested in district water problems to take part in the Citizen's Advisory Committee of the La Mesa-Lemon Grove-Spring Valley Irrigation District, was extended this week by Harry Griffen.

Griffen is elected representative of the Lemon Grove district and was responsible in great part for the formation of the Citizen's Committee. The committee meets the second Wednesday of each month at the Irrigation District office in La Mesa at 7:30. Originally 50 members were listed; however a smaller turnout has come from Lemon Grove than the other districts.

"This sets up an imbalance in the citizens' consideration of district problems," Griffen said. "We want the taxpayer to have a voice in Irrigation District affairs. Those who are genuinely interested are welcome to take part in the proceedings."

Ray Grable, area realtor, was named chairman at the initial meeting several months ago.

Red Cross Column

By CHARLES GURLEY
Public Information Chairman

The April meeting of the Lemon Grove branch of the Red Cross will be held next Tuesday at 10:00 in the morning at the Woman's Club house, according to an announcement made by Mrs. G. R. Roberts, Chairman for that organization.

"We expect to be able to receive full reports from all committees," said Mrs. Roberts, "and particularly we hope to get the final figures which will show that our faithful workers have been able to reach or surpass our quota."

Poinsettias to Be Distributed By Welcome Wagon

Mrs. Marie Herder of Welcome Wagon has been giving her poinsettia cuttings to newcomers she has called upon recently. Folks in new homes are so grateful for them, but she has exhausted her supply. Mrs. Herder will be glad to call at your home for cuttings, if you have some you do not intend to use, if you call her at HO 6 3574.

It is a nice gesture to give our new neighbors something to beautify their new home gardens. Most of them have a big bare yard and to get a friendly donation of our famous Christmas flowers, will make them feel as we old-timers do—Lemon Grove is the finest place in the world to live.

The world's most handicapped people—those without a sense of humor, according to Cal Nicholl, our town's optometrist.

Funds Allocated For Youth Projects

Part of the money contributed to the Youth Control Board as the result of the "Pow-Wow" will go to buy storage cabinets at the Lemon Grove Youth Center, it was announced this week by Harry Valasek of the Youth Control Board.

In addition, ping-pong tables will also be purchased.

The Lions Club, the Woman's Club Juniors and the Business Women's League have donated a total of $1,004.50 to be used to buy equipment for the recreation program.

Messrs. Bob Browne and V. J. Dorman, representing the Lions Club, said that that organization had voted to forward $250 now plus a similar amount later for the youth project.

This contribution, together with $500 which was recently donated by the Woman's Juniors, will be used to buy equipment to launch the Youth Recreation Program in April.

The Business Women's League voted to purchase "quiet" games for the Youth Center craft program.

Mike Caldirone, recreation director, reported that fliers prepared by the Recreation Commission and sent into homes thru school children, met with tremendous response. Additional information concerning the program is being prepared by the commission and will be sent to parents by the same route.

A great number of persons have enthusiastically volunteered to contribute several hours weekly to the craft and athletic programs. However, many more instructors are needed, reported Caldirone, any anyone interested should contact him at the Lemon Grove Fire Station.

A teenage dance in the Youth Center will officially launch the program in April if current plans jell.

Mrs. Dail Hostess To P-TA Officers

Mrs. John Dail, president of the Lemon Grove School P-TA, entertained new officers and board members at a luncheon meeting at her home on Olive Street, April 1. Following the luncheon, members considered possible candidates for P-TA committee heads for the 1954-55 school term.

Those in attendance included the hostess, Mrs. John Dail, Ben Schei, school principal, and Mmes. Margaret Darroch, M. H. Myers, Robert Beckham, Bert Cosby, H. Morgan, E. W. Middelton, Harold Randall, Channing Mason and Carl Planchon.

Over My Shoulder

By A. F. "TONY" SONKA

The other day I was looking over some material on the early days of Lemon Grove and stumbled across the first directory ever made in the Grove.

In those days if someone asked the location of a residence, we would answer in terms of so many houses on the right or left side of the street or on the corner of such and such streets. There weren't many corners then because the Grove was divided into 5 or 10 acre orange groves.

This directory I have was made in 1937 and was originated by a voluntary committee headed by A. H. Beers and sponsored by the Lemon Grove Chamber of Commerce. Beers and his committee chained off every piece of land in the Lemon Grove School District so that addresses could be allocated. Joe Young, congenial employee of the L. G. Shopping Center who was at that time employed by Sonka Bros. General Store, helped a great deal in encouraging residents to put numbers on their houses for the first time. These numbers held good until official county numbers were supplied several years later.

There are 465 addresses listed in this old directory. Buena Vista, for example, at that time had only 17 addresses on it and in Monterey Heights there were only 12 residences.

Then in 1945 a census was taken by Rev. Ralph Waddell, pastor of Lemon Grove Congregational Church, in order to help him to decide whether or not to expand his church. Edith Beers, chairman of this project, and her committee covered every street within the limits of the Lemon Grove School District.

In that year the population was 4,246. There were 1,221 children and 3,025 adults. 880 families owned their own homes. There were 66 miles of county roads at that time.

A. H. Beers' son, Robert S. Beers, now lives at 2459 Bonia St.

Today school district people say there are 17,000 souls within its boundaries and others claim there are even more.

The Dixon LINE

By Friend Dixon

In a recent issue of the Saturday Evening Post an article by W. E. Douglas, a San Diego Traffic Officer, is well worth reading. He tells in lurid style the aftermaths of auto accidents. A policeman's lot is not a happy one.

The DIXON LINE has attracted so much comment that we have decided to remove the cloak of anonymity from the writer.

The editor of the column is Stephen Westover who uses the name Friend Dixon because Friend is the family name and Dixon fits into the general tone of the paper as a name counterbalance with MASON LINE.

While Mr. Westover will continue to use the by-line FRIEND DIXON, a note will be carried from time to time reminding the readers of his identity.

We could use Policeman Douglas very nicely at Broadway and Main. Crossing this intersection on foot and in autos too makes a hazardous journey, especially at peak hours. The School Patrol boys do a wonderful job during the time of school opening and closing. We go on record as recognizing their efficiency.

—DL—

We note with pleasure that Palmer Svalstad announced his candidacy for reelection to the Grossmont High School Board. He is well equipped to continue his temporary appointment. Lemon Grove, as far as we can remember, has never been represented on that Board. The taxpayers have a considerable stake in that institution and we hope that the voters turn out and give Mr. Svalstad substantial support. He deserves it.

—DL—

The State Assembly passed and sent to the Senate a LIGHTING BILL FOR TAVERNS — setting six foot candles as the state's first minimum lighting requirements. We are all for it—now we can see what we are eating and also look over the dame a neighbor down the street brings in while his wife is back east visiting her relatives.

—DL—

We learn too late that the Lady Lions had a hair stylist as a guest —some of them got free hair-dos. How about inviting him to the Men's Club Luncheon. We know some we would like him to work on. (Names withheld by request.)

—DL—

In a recent issue of the Review the Dimmer View voiced some of the editor's problems such as sorting out newsworthy items from those which rightly belong to the advertising section. Church news is given prominence without charge and we wonder why the churches fail to utilize the potentialities of the home town newspaper by using paid space. Many churches advertise in the San Diego Union but it seems to make more sense to me to use the newspaper in the community from which the congregation comes . . . and it also seems like a pretty good application of the Golden Rule.

Grove Girls Asked To Compete in 'Miss S. D.' Contest

The preliminary to the Miss California and Miss America pageants, the Miss San Diego Pageant, will be conducted at Balboa Park on April 25 and Lemon Grove young ladies are invited to participate.

This annual pageant has afforded many San Diego County and City young women recognition of their talents. Each year a panel of judges selected from our civic leaders and educators choose Miss San Diego on the basis of personality, talent, appearance in evening gown and bathing suit.

Carol Ann Crow To Wed

Dr. and Mrs. Thayer A. Crow, 2410 Bonita St., announce the engagement of their daughter, Carol Ann, above, to Ensign Wright A. Brunson, Jr., U.S.N.R., son of Mrs. Wright A. Brunson of Falconer, New York.

Miss Crow, a Helix graduate, attended San Diego Junior College and is a member of Phi Theta Xi. A November wedding is planned.

Dr. Gigliotti Named Head of Tax Group Following Spaghetti Dinner

Dr. Frank Gigliotti was named president of the San Diego County Taxpayer's Association at a meeting held at his home last week.

The election followed a spaghetti dinner given at the Gigliotti residence at 3777 Gigliotti Dr.

In the election of officers and directors the following were named: Dr. Frank B. Gigliotti, president; M. P. Moeser, vice-president; Cecile McClellan, secretary-treasurer; Edward J. Neron, past-president. The following were named as directors: Miles Nagel, La Mesa; Anthony Peluso, San Diego; Mrs. Charles Brown, Lemon Grove; Max McComas, Oceanside; A. F. Sonka, Lemon Grove; Stanley A. Mann, Mt. Helix-La Mesa; B. T. Cullen, Spring Valley; W. R. Smith, Spring Valley; Mrs. L. O. Fournier, Spring Valley; A. F. McClellan, La Mesa; Adm. Wm. H. Standley, Coronado; Earle B. Childs, Coronado; George F. Staub, Encinitas; M. J. Schrock, Escondido; Jack Schrade, El Cajon; Mrs. Irma A. During, Ocean Beach; Mrs. Paul Harvey, La Mesa; Chet Hardin, El Cajon.

Two important resolutions were passed. The first being to call on the Governor and Legislature to appoint a state-wide citizen's committee to study the matter of applying the income from natural resources of the state, especially the tide lands oil income, so that a portion could be applied for the financing of schools to alleviate the tax burden on the home owners. The second, that the sales tax and its application be re-studied to the extent that we could apply a larger portion of it than is now being applied, to the building and maintaining of schools.

Membership is open to any interested citizen of San Diego County.

Correct front-end wheel alignment on a car is important because it affects steering, tire wear, and the ability of the car to run straight without wandering from side to side. An inexpensive maintenance operation, wheel alignment will save you money in the long run.

Citizenship Club Members Get Reward

Students from the Golden Avenue Elementary School who earned membership in the Citizenship Club for two report periods were awarded last Friday for their outstanding records. During the morning the group visited the Palisades Gardens Roller Skating Rink in North Park, where the Golden Avenue children had the entire rink, with an instructor, for their skating pleasure.

Following the skating session, the club members and accompanying parents enjoyed a picnic lunch at Pepper Grove in Balboa Park. They returned to classes in time to give others an account of their special day and to catch buses for home. Transportation for the good citizens was provided by Mmes. George Austin, Rex Foster, Charles Castles, and Mrs. Ivan Lauritzen, school principal.

Large Enrollmen for School Speech Clinic

During the first semester at the Lemon Grove Schools, Mrs. Genevieve Oliphant, speech clinician for the district, reported a total of 69 students enrolled in her speech correction classes. Of this number of elementary pupils in need of help, 23 were listed as severely handicapped.

During the year Mrs. Oliphant has worked with all these students, administering special tests which included the Bryngelson-Glaspey Picture Evaluation Test. Through these efforts much is being done to overcome serious speech handicaps in the schools from kindergarten through the sixth grade.

During the report period of the first semester, eight cases were dropped from the classes. These were due in most cases of transfers from the district. A total of 19 new cases have been added to the list, making the number of students now receiving aid for speech difficulties in Lemon Grove 80.

LETTERS TO THE EDITOR

Dear Mr. Editor:

In the March 18th edition of the Lemon Grove Review, Page One, we see the caption "Grove to be Four Times Bigger by 1970 Says Lyons." If this representative of the County Residential Research Committee is even half right in his prediction of a population increase to 58,000 we will be quite a city, won't we?

I, for one, think we are big enough **now** to start laying the groundwork for an annual community project. El Cajon has its Mother Goose Parade; North Park has its Christmas Toyland Parade; Chula Vista has its Christmas Pageant; Pacific Beach has its Fiesta Bahia; our neighbor, La Mesa has its Fiesta De la Flores. Other communities have annual affairs. But what do we have? Not even lemons!

Isn't it possible for us to establish just such a project to annually grow with us so that in 1970 we can state with pride "We live in Lemon Grove—home of the fabulous . . . . ?" What shall it be? No community in this southland area has snatched on to the Easter theme. Why not us? We could have a parade displaying the religious and the frivolous. Let our churches prepare floats depicting the Crucifixion and the Resurrection. Or let them join forces to dramatize the Biblical pageant. A community near Los Angeles last year made successful progress in their "Put Christ in Christmas" parade. Floats were entered by all denominations. They were inspiring and holy. We could do the same for Easter.

During the school holidays the merchants could sponsor a pet parade for the children, for what reveals LIFE more clearly to a child than a baby animal? Let them dress their pets in gay apparel. Let us have a Springtime Saga complete with a charming cherub to reign as Miss Easter Bunny of Lemon Grove.

If you believe this idea merits further deliberation and study, why not voice your opinions to your Chamber of Commerce?

Come on, fellow Grovers, let's have as many ideas as we have babies every year or 1970 will surely find us too big for our diapers.

Very truly,
HARRIET BERGQUIST

Dear Sir:

Last week's issue of the Lemon Grove Review gave St. Philip's Church some excellent publicity and we want you to know that we appreciate your interests on our behalf.

The photograph of myself and the Bishop was very good and you gave it front page position for which we want to thank you. I am sure, too, that the ladies appreciated your announcement of their bake sale. Despite the inclement weather they sold out their goods and made a profit of better than $65.00.

Cordially yours,
J. PHILLIP BARTLETT

Dear Editor:

We have our new grocery stores and businesses but what has happened to our new Library? For two years there has been an architectural plan displayed in our all too small library. Isn't there some civic group interested enough to make an investigation and consult with the proper authorities and bring back a report to the hundreds of patrons of the library?

BEATRICE L. MORSE

Eds. Note:

If the county authorities breathe life into the proposed Branch Administrative plan which has been approved by the Board of Supervisors, Lemon Grove will not only get a library in keeping with the needs of the community, but a court, building inspection office, civil defense and other quarters will be built.

Hospitalized Children To Get Grove Aid

A Lemon Grove depot for articles for hospitalized children has been set up at the residence of Mrs. Ted Magnusson, 2828 Massachusetts Ave.

More than 700 women, representing 17 welfare, church, social and business organizations, as well as many neighborhood groups and units of the Women's Auxiliary of the Children's Hospital have been meeting in small groups for the purpose of creating gift items to be sold at the first annual Children's Fair to be held by the Women's Auxiliary in Mission Valley on June 5.

Of special interest to the committee are the following items: doll clothes, sunsuits, pinafores, stuffed toys, hand knit sweaters and baby things, aprons, toys that can be reconditioned for sale, children's good outgrown clothing (no jeans, t-shirts, or rummage, please) and "white elephant" gift items.

FLOWERDAY TRIBUTE

Industrial nursing was founded in England in 1878. In that year, a Mrs. Jeremiah Colman hired a Miss Philippa Flowerday to work, not only in the family's mustard mill, but also to follow up the sick employees in their homes.

Civil Defense Notes

Charles Gurley HO 6-3745

The April meeting of the Lemon Grove Civil Defense group will be held Thursday evening April 8 at eight o'clock at the Youth Center. The principal speaker will be Mr. Lester Wadsworth, County Director of Civil Defense, according to an announcement made yesterday by Dr. Frank B. Gigliotti.

"The great debate about whether or not to depend upon shelters or to evacuate still goes on apparently without satisfactory decision," said Dr. Gigliotti. "We expect to hear considerably more on both sides of this subject and possibly there are a few new angles."

Mrs. Edna Snyder has arranged with a number of grocery stores to feature stocks of groceries and with drug stores, supplies of drugs which are certain to be needed in case of emergency. These are being featured right at this time. This is a good time to check over your own list to be sure of your own needs.

VLM Church Plans for Big Easter Turnout

The goal of 500 in Sunday School on Easter Sunday has been set at Vista La Mesa Christian Church. Plans are being made for some classes to meet in the new church addition.

Mary Cressy Returns to Work

Mary Cressy, the brains and brawn of Cressy's Junior Department Store, is back at her job after a short illness.

Freeborn Cressy, her husband, will be able to devote more time to the sports page of the Union since Mary is up and about.

Love to Be Subject of Seventh-Day Adventists

The Sabbath School lessons for the second quarter of 1954 in the Senior Division of the Seventh-day Adventist church are on the subject of love—the power of love, the law of love, the commandment of love, and the character, the humility, the forbearance, the growth, the permanence and pre-eminence of love.

Grove Boy Scouts Get S. D. Awards

Ad Altare Dei Awards were given to Michael Zellmer, Gary Zellmer, Jerry Weibel, Alan Rogers, Martin Murphy, James Easterling, Lyle Graff, Russell Graff, Kenneth La Motte, Stephen Bolshazy, and Stephen Whalen.

Thirty members of the troop were on hand to wittness the issuing of these awards as well as an award given to their scoutmaster, Tom Brown. Also participating in the event was committee chairman Leon Finnerty and committeemen Ray Stangl and George Zellmer.

BIG ACE Swedish Bakery Is Becoming Southern Landmark

GIVES S. & H. GREEN STAMPS

APOLOGY

We were overwhelmed. Never were so many served by so few of us. We mixed and baked till we had no oven space left for even the smallest pralene. We had additional, new equipment flown in to better handle the unpredictable, but welcome, response to our Swedish bakery.

PLEDGE

We herewith promise that we will satisfy the taste and demand of every bakery-goods lover. We have worked night and day to catch up with orders that have snowed us under. We also pledge that we'll be offering new and exotic pastry items that will excite the most discriminating palate.

APPRECIATION

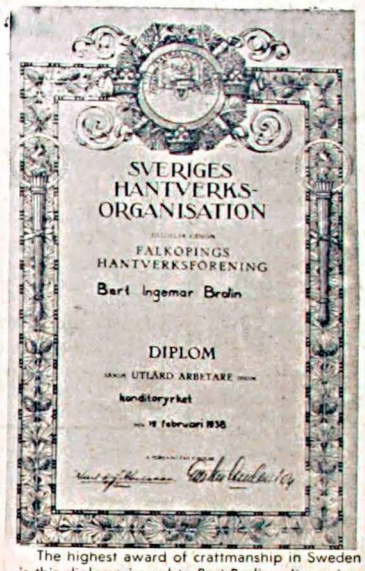
We know that no organization can be bigger than the dictates of the public. You who have patronized us must have found us grateful, and each of us try to show our appreciation by using an extra amount of skill and care.

ROYAL BAKERY

As bakers for the royal household we learned the true meaning of "king's taste". The same delicacies that pleased the palate of European monarchs are every day features here.

VISIT

No hidden tricks! Through a glass wall you can watch artisans at work. We welcome your visit into our gleaming white kitchen. Come and browse or buy, you are always welcome.



The highest award of craftmanship in Sweden is this diploma issued to Bert Brolin. It requires any bakery in Europe to make place for Brolin upon demand. The certificate entitles Brolin to serve the royal household in Sweden.

Professional bakers like these in the photo above, most of whom came from Sweden, help prepare bakery delicacies upon which southlanders have placed the stamp of approval.

Louis Poluzzi Heads District Teachers Again

Louis Poluzzi was elected for a second term as president of the Lemon Grove District Teachers Association at a business meeting March 25, in the new junior high auditorium on School Lane. Other officers voted that evening include Keith Dolan, vice president; Lockey Palermo, recording secretary; Evelyn Caldwell, corresponding secretary; Clarence Allen, treasurer; and Wiley Cornelius, auditor.

During the business meeting the club voted unanimously to support the fund for the new building proposed in Los Angeles for CTA, Southern Section. Reports on a recent SS council meeting were given by C. C. Stammerjohn, CTA representative for the association; Keith Dolan, who attended the public relations meeting; and Peg Darroch, who discussed possible tenure legislation. Committee chairmen gave regular reports of their committee activities.

Coffee and cake were served by the social committee, with Miss Helen Shelton as chairman.

VLM P-TA to Meet This Week

Vista La Mesa P-TA will hold its monthly meeting on Tuesday, April 8. Topic of the evening will be opportunity to share our hobbies with a display of hobbies by children and parents in rooms eight and nine. Chairman for the evening will be Mrs. Ralph Brehl who stated that a square dance exhibition will be presented at 8:00 p.m. followed by the regular business meeting. Following will be the social hour with first grade a.m. parents as hostesses, Mmes. Pearson, Ferris and Johnson as chairmen.

When changing the oil in your car, be sure the engine is warm so that the oil will be hot when drained from the crankcase.

Hospital Group Plans May 1st Fair

A County Fair with a flourish is being planned by the Grossmont Hospital Auxiliary at the Grossmont High School.

The public is being invited to "come to the Fair" May 1 to meet and greet their friends, spend dimes or dollars and select gifts from a variety of booths. Refreshments will be sold to eat on the spot, as well as take home.

Children will enjoy the fish pond of gifts just for them, and the beautiful display of dolls loaned for exhibits by Mrs. Mearle Pierce of Lemon Grove. Another booth will feature dolls for sale, their wardrobe created from donated scraps.

Mothers will be fascinated by the variety of aprons and pot holders, beaded cases and cosmetic jams, fancy ties and scarfs, potted house and garden plants or hanging baskets.

Teenagers will love the "junk jewelry" booth.

Fathers will find things to interest them too, such as hand made neckties, garden tools and Who-Dun-It books for fireside reading.

Reality of Disease and Death Challenged

How sickness and sin may be overcome through prayers, bringing one into accord with the truth of God and man will be the topic of Christian Science services Sunday.

"Are Sin, Disease, and Death Real?" is the subject of the Lesson-Sermon. Selections to be read from the Bible include the account (Matt. 9) of Christ Jesus' raising of Jairus' daughter from the dead, his restoring of sight to the two blind men, and his healing of the "dumb man possessed with a devil."

HELP FOR INJURED

There are now 32 approved schools of physical therapy in the United States.

Blind and Handicapped Children to Have Easter Egg Hunt

All blind and visually handicapped children in San Diego and surrounding area are invited to the third annual Easter Egg hunt to be held April 17, at 2:00 p.m. at the Blind Recreation center, 1805 Upas St. The party is sponsored by the Parents Group of Blind and Visually Handicapped Children. Mrs. Doris Peck, teacher of blind classes at Sunshine School, and Mrs. Jackie Bronson, teacher of local nursery school, will be on hand to help in the fun and games.

Some members of the Delta Gamma Sorority have already offered their services to help make the party a success.

Mrs. Ann Renzi, 864 Glencoe St., HO 9-4729, chairman of the party, and Mrs. Hazel Vernon, 4092 Nordica St., CO 4-7278, co-chairman, hope this will be the largest and best party yet.

Youngsters Visit Television Station

Mrs. Isabel Zidek's third grade class, Golden Avenue School, made a field trip to KFMB's television studio recently. The students saw the program "Schools Today." The subject was concerning electro-magnets and was demonstrated very thoroughly by Miss Hildegarde Hartig and Mr. Ray Denno. The children were very interested in learning how certain objects could be magnetized and ways in which magnets could also be utilized, such as motors, bells, signals, and games like Electric Quiz.

It was very educational for the children to see the more technical side of how television is produced: the lighting of the studio, the cameramen, the boom that held the microphone and the location of the control booth and its functions.

They also enjoyed seeing the stage setting for "Breakfast With Ace" and the "Smokey Rogers" program.

The trip was made by school bus. The students were accompanied by Mrs. Evelyn Lauritzen, Principal of Golden Avenue School, Mrs. Isabel Zidek, and Mrs. Edward Beistline.

Camp Fire Girls Peanut Sale Gets Boost from Markets

Camp Fire Girls' annual fund raising drive got off to a good start and Grovans have responded so well that "Have a Peanut" is fast becoming the standard greeting. The Camp Fire Drive is to finance the repairs of their summer camp and, while Camp Fire is an agency of the Community Chest, the summer camp is not included in the Chest allotment.

"This costs us lots of peanut sales," says Clarence Milbrodt, manager of the local Piggly Wiggly. "We won't sell a peanut for a month after the sale, but assisting our youth is well worth the loss and we'll help sell them." The Piggly Wiggly has put up a large display of the Camp Fire peanuts and will feature them during the sale, with the funds turned over to the local chairman.

All of the merchants have permitted the Camp Fire girls to sell the peanuts outside their doors. Bob Schrader, publicity chief for the Big Ace, said, "Send them over, they can sell inside the store or outside wherever they can do the best."

According to the Grossmont District Chairman for the sale, Lemon Grove has to sell 9,200 cans to reach their quota and with the cooperation that has been evident by the stores and citizens, that quota will be reached. Lemon Grove has rapidly become known as a district that supports its youth.

John Dail is in charge of the local project.

Girl Scouts Plan Easter Activities

The Girl Scouts of Troop 280 are having a series of cook-outs and hikes every month, in preparation for an overnight camping trip scheduled for Easter vacation.

Their outings included: primitive cooking at Miramar Canyon, where all girls passed fire building, a hike and wiener roast at Collier Park, a hike to Goodland Acres where the menu was planned for each patrol to cook a dish of a foreign country, and a cook-out at Eucalyptus Park, where each girl cooked individual stew-in-foil over hot coals. Credits are given on Out-of-Door Badges.

Jonna Lu Johnson, Senior Scout of Troop 198 also accompanied the girls.

The girls wish to publicly thank Mrs. Chas. E. Montgomery for attending the Troop Birthday party and relating the wonderful and interesting stories of her native Austria.

A surprise three tier cake and punch were served by the leader, Mrs. Ruth Johnston and Co-leader Mrs. Szalay.

New girls welcomed into the troop are: Betty Ziehl, from St. Charles, Ill.; Carol Ann Shettig from Ocean Beach, Carolyn Hall, Carolyn Dyas, Mary Lou Brennan, and Jolene Booth.

Girls are presently making Easter Baskets for the Crippled Children's Hospital.

Pilgrim Fellowship Offers Diverse Attractions

A Congregational Church young fellowship organization asked the REVIEW "Teen-age" editor, Bob Turnbull, to do a column on their activities. This is as he sees it.

Anybody interested in a good time on Sunday? Does anybody want to travel, to play games, to worship the Lord all at the same time? Of course you do! But there is one catch. Just one! You have to be a high-schooler. Between and including the grades of 9-12.

The topic in question is the Lemon Grove First Congregational Church Senior High Pilgrim Fellowship. To put it short, we call it PF. Any high school guy or gal is invited to attend our meetings that we hold every Sunday night at the Church or next door in the Friendship Hall.

What do we do at our meetings? We always have our prayer services conducted by the students and members themselves. We have our officers: They are as follows: Ralph Richardson, president; Karen Dawson, vice-president; Peggy Lester, treasurer; Kris Johnston, secretary. Mr. and Mrs. R. C. Johnston serve as our very capable sponsors. Besides the aforesaid we have our three committees titled, Faith, Fellowship and Action.

What our our activities? Well, we have dances, ping-pong, go to other cities and their PF groups, they come here, we go to the beach, mountains (snow), zoo, and other places. In fact we do just about everything and have a lot of fun to boot.

Like this coming Sunday, we're going to first services at the church and then at nine o'clock we're heading north for Knotts Berry Farm, to see the sights, eat our lunch, come home, have dinner at Don's Drive-in and then over to Kris's for our sock-hop. (For members only.) But the following Sunday, let's see you there. B. T.

Big Turnout Greets Woman's Club Fashion Show

Bird houses, flowers and musical notes adorned the tables and stage of Lemon Grove Junior High Cafetorium last Saturday where an attendance of 450 enjoyed a luncheon and fashion show, "Sing a Song of Fashion" presented by Lemon Grove Woman's Club Juniors.

Easter and resort wear fashions shown by Walker-Scott Co. were "out of this world" and were cleverly narrated by Miss Catherine Wueste.

Children of Junior members participating were Georganne Hillix, Sally Betts, Ray Miller, Joyce Johnson, Bonnie White, Jim Martin, and Renee Johnston. Y-Teen models showing teen age fashions included Joan Hale, Cynthia Hoops, Judy Peterson and Phyllis Galahan. Y-Teen members also served the luncheon, wearing dainty aprons created by their group.

During the intermission musical numbers were furnished by Nancy Scherl and Norman Wolmack. Henry D. Pugh, deft magician that he is, not only performed magical mysteries, but picked winning tickets for prizes as well. Boxes of cookies, baked by club members, also contained winning tickets.

General chairman, Mrs. Richard Haiman, was assisted by Mrs. Paul R. Shipps and the following committee chairmen: Mrs. James Mathieson, luncheon; Mrs. Fred Cohenour and Mrs. Raymond Johnston, models; Mrs. Norbert Gobeille, door prizes; Mmes. Lawrence Sozzani and William Miller, programs; Mmes. Harold Hatton and J. T. Mitchell, cookie sale; Mrs. Robert White, tickets; Mrs. Charles Calkins, favors; Mmes. Eugene Johnson and W. L. Carr, reservations; Mrs. Russell Eldridge, Y-Teen advisor; Mmes. Bill Castle and Ralph Tenison, publicity and Mrs. Edward Miller and Mrs. A. M. Barstow, decorations.

Proceeds from this benefit will be used for philanthropic projects supported by Lemon Grove Juniors.

Recommendation of Personnel on School Board Agenda

Recommendations for reemployment of certified personnel in the Lemon Grove School District will be made when the board of trustees holds its regular meeting next Monday evening, April 12, 7:30, at the district school offices on Acacia Street.

Other items on the agenda will be the presentation of bids for the sprinkler system at the junior high school plant; consideration of the maintenance program; and consideration of the selection of a firm to perform the school district audit.

Also to be considered will be the report of the newly-formed Citizens Advisory Committee and a progress report of the plan preparation on the proposed classroom additions.

School patrons and other interested citizens of the community are invited to attend these monthly meetings of the trustees.

Mrs. Danielson to Be Hostess to P-TA Executive Board

Members of the Lemon Grove School P-TA executive board will meet at the home of Mrs. Virgil Danielson, 4003 Charles Street, in Vista La Mesa, next Tuesday evening, April 13, at 8:00. Mrs. John Dail, association president, will hear reports from active committees, and the program committee, with Mrs. Danielson as chairman, will make further plans for the April 29 meeting of the entire P-TA. Since the usual meeting date, the third Thursday of the month, falls during the school spring vacation, the general meeting has been set for the fifth Thursday, April 29.

Woman's Club to 'Share a Dish'

A "share a dish" luncheon at 12:30 Friday, will precede the business meeting and election of officers for the coming year by the Lemon Grove Woman's Club.

Mrs. O. R. Patterson is chairman of the nominating committee on which Mmes. L. D. Newton, R. B. Hayhurst, Fred Johnson and A. R. Rettke are serving.

Hostesses who will assist Mrs. A. P. Schnell, chairman, are Mmes. George Neinast, I. H. Webber and George Johnson.

Dear Ed:

Just a note to let you know how very much our Joint Interim Subcommittee on Alcoholic Beverage Control appreciates the work you have done in support of our program this year.

As you know, all of our measures passed the Assembly, and a number of the more important ones were also passed by the Senate. I think we have adopted a program of which we can all be proud and am happy to have this opportunity to acknowledge our debt of gratitude to you for the consistent support you gave that program.

With kind personal regards, I am

Sincerely,
Cap Weinberger
